SUPPLEMENTARY INFORMATION: The USPTO is authorized under section 10 of the AIA to set or adjust by rule all patent and trademark fees established, authorized, or charged under title 35 of the United States Code and the Trademark Act of 1946, respectively. This authority was extended through September 15, 2026, by the Study of Underrepresented Classes Chasing Engineering and Science Success Act of 2018 (Pub. L. 115-273). Patent and trademark fees set or adjusted by rule under section 10 of the AIA may only recover the aggregate estimated costs to the USPTO for processing, activities, services, and materials relating to patents and trademarks, respectively, including administrative costs of the office with respect to each. Congress set forth the process for the USPTO to follow in setting or adjusting patent and trademark fees by rule under section 10 of the AIA, including additional procedural steps in the rulemaking proceeding for the issuance of regulations under this section. Congress requires the relevant advisory committee to hold a public hearing regarding proposed fees after receiving them from the USPTO. Congress, likewise, requires the relevant advisory committee to prepare a written report on proposed fees and the USPTO to consider the relevant advisory committee's report before setting or adjusting fees.

The USPTO is planning to exercise its fee setting authority to set or adjust trademark fees. The USPTO will publish a proposed trademark fee schedule and related

supplementary information for public viewing no later than May 19, 2023, on the fee setting and adjusting section of the USPTO website, www.uspto.gov/FeeSettingAndAdjusting. The TPAC will hold a public hearing regarding the proposed trademark fee schedule on the date indicated in this notice. The USPTO will assist the TPAC in holding the hearing by providing resources to organize the hearing and notifying the public. Following the TPAC public hearing and considering all comments, advice, and recommendations, the USPTO, if it continues with the fee setting process, will publish a Notice of Proposed Rulemaking in the Federal Register, setting forth its proposed trademark fees.
